

2015 Fall

24. Please give suggestions for future speakers, topics or sites.

thyroid disorders

More pediatric specific topics

Consider Fall Conference or Annual Conference in New Orleans.

Consider Fall or Spring Conference in Oxford, on Gulf Coast or Natchez.

How to make EHRs faster, friendlier and more efficient.

I enjoy clinical topics over EMR, insurance etc.

mary honkanon md , mobile,ala on lipids .dr greg mcclvey diabetes rx mobile ala,

derm and ortho are always appreciated

Basics of Htn,DM,Heart and lipid manage are always good. More derm to include scalp,copd to include spirometers,headaches and weight control

Pulmonary eval and review of determining Blood Gas numbers.

We appreciate that it wasn't as far as San Destin

eval and tx of thyroid problems

I like speakers who deal with treating patients

More about quality metrics, pay for performance, EMR, etc

Point Clear, Sandestin, Memphis Peabody;

Adult dermatology; arthritis; cruise conference

We can always use talks on hypertension, diabetes and lipids. This is 85-90% of what we do everyday.

25. Please give suggestions for improving future meetings (e.g. concerning techniques, materials, procedures, activities).

More CME hours, please!

Very well done. I like it just as it is.

Good presenters and all tect working correctly

More clinical topics

The staff do a good job.

Warm up the room

Blankets for those of us who are cold natured
