A WORD FROM YOUR MAFP BOARD:

The MAFP summer meeting is traditionally a family get away to renew, refresh and restart. We believe we all need that. We have met on many occasions, reviewed membership and exhibitor input, and discussed Sandestin safety protocol. We have thoughtfully approved moving forward with the July 18 – 22 meeting. We will have safety guidelines in place. We will add social events in phases as regulations are relaxed. Some of our speakers will be virtual. If we get down the road and issues arise, we will revisit our decision.

For our members who may not be ready to travel or leave your clinic, we are working on an option for you and will roll out details soon.

We are offering a worry-free registration. You may cancel at any time without penalties. You may cancel your room with a full refund if cancelled 7 days in advance of stay.

Our meeting may look different, our delivery of CME may be new, but our commitment to our members and guests to connect in a safe environment remains the same.

Attendee list will include those who have registered by July 10, 2020.
