Dear Exhibitor:

You are invited to attend the Mississippi Academy of Family Physicians Annual Scientific Assembly to be held July 16-19, 2023, at Baytowne Conference Center in Sandestin, Florida. The event is an educational conference for family physicians and mid-level providers. The conference in the past has drawn approximately 150 attendees from Mississippi and surrounding states.

Exhibitors will move in on Sunday afternoon and tear down on Wednesday at 12 pm. The exhibit space will consist of an 8 x 10 space draped on back and sides with a draped table and chair. Events will be scheduled in the exhibition hall and ample time will be allowed for attendees to meet with exhibitors.

Our theme for this year's meeting is: "Explore Family Medicine". Our current President, Dr. Paul Pavlov loves the outdoors and enjoys hiking, kayaking, golfing, and fishing and we know this will make for a fun atmosphere.

We look forward to your attendance. Should you have questions, please contact me at beth@msafp.org or 601-853-3302.

Sincerely,

Beth Embry
Executive Director

MISSION: Improve the health of all people in Mississippi by supporting family medicine physicians.
