Bars in downtown Fairhope:

- La Martina Fairhope (martini bar) – small but fun
- McSharry's Irish Pub – food in and outdoor
- The Monkey Bar – no food, outdoor seating, covered, with TV's
- Red & White (open until 8) – great food and it's a wine store so buy a bottle, add $10 and drink it there; right downtown
- Tongue & Groove Drinkery – no food, downtown, in and outdoor
- Provision – downtown but minimal food; it's a wine store too so buy a bottle and drink it there – no surcharge in fact I think they discount it
